Escape to Last Man Peak Jean D'Costa, 2021-03-25 There have been many great and enduring works of literature by Caribbean authors over the last century. The Caribbean Contemporary Classics collection celebrates these deep and vibrant stories, overflowing with life and acute observations about society. Sunrise Orphanage is a happy place until the great sickness comes to the country, when the ten orphan children are left to fend for themselves. Normal life breaks down, and people do what they can to survive. Threatened with being taken to a labour camp, the children's only alternative is a perilous journey across the island. Sanctuary awaits them at Last Man Peak, but will they be able to reach it? Unforeseen danger waits at every turn. No one can be trusted. The arduous trek would be challenging enough even without the need to avoid capture - capture which would mean the labour camp, or possibly something much worse. The journey, with only their wits and courage to help them, will change their lives for ever. Suitable for readers aged 11 and above.

**Lesson Plan - "The Grapes of Wrath" by John Steinbeck** Lisa Sangmeister, 2011-02-08 Lesson Plan from the year 2010 in the subject English - Literature, Works, grade: 1,3, University of Marburg (Anglistik), course: Second Language Acquisition, language: English, abstract: 1. General Overview The Hessian Curriculum(1) demands that the English lesson in the Oberstufe has to improve the pupils' language skills as well as enlarge their knowledge about English literature and different cultures. Correspondingly, the pupils should gain experiences with a variety of texts and different media. By this, they develop critical media literacy which is an essential prerequisite for working independently. Ideally, these main objectives should be combined in every teaching unit. The novel The Grapes of Wrath by John Steinbeck was published in 1939. It reports the story of the farmer family Joad which has, like hundred thousands of other families, to leave their home

Oklahoma to start a new life in California. By this, Steinbeck exemplifies the fate of migrant workers in the USA during the 1930's. The novel should be motivating for the pupils as it constitutes an authentic documentation of the social circumstances during the time of the Great Depression.(2) Furthermore, the dramatic story of the family Joad is gripping and arouses empathy. The novel, moreover, refers to central topics, like work ethnic and inequality, which can be connected to the current problems of globalization. In *The Grapes of Wrath* Steinbeck makes use of the migrants' authentic language. That is why the reading might be a challenge for the pupils. Besides, Steinbeck's literary techniques are note-worthy. He, for instance, adds so-called intercalary chapters, which evaluate the plot and provide further information on the historical context. Moreover, the controversy(3) of the novel led to various reactions of artists and film adaptations. So the novel is an appropriate starting point for the comparison of different media, like for instance songs, photographs and film adaptations. Correspondingly, this teaching unit aims at combining knowledge about literature and history with the development of language awareness and media competence. \_\_\_\_\_ (1)Lehrplan Englisch, Gymnasialer Bildungsgang: Jahrgangsstufen 10G bis 12G, Hessisches Kultusministerium 2010 (Entwurf). (2) John Steinbeck has accompanied migrant families on their way to California. (3) At first, the novel was abolished in California, later it won the Pulitzer Prize (1940). [...]

**English Lesson Plans for Substitute Teachers** Carol Skocik,2002 Includes computer activities and follow-up activities. Dramatically enriches your language arts program. Follows the Madeline Hunter model for lesson development. Includes 33 complete lesson plans covering grammar, literature, writing, and more.

Teaching the Novel Becky Alano,1989 This book of 41 lesson plans, compiled from resources in the ERIC database, focuses on strategies for teaching the novel at the junior high and high school level. Each lesson includes a brief description, objectives, and procedures. The book includes strategies for teaching specific novels, general strategies, a user's guide, an activities chart, and an annotated bibliography of related resources in the ERIC database. (MS)

Lesson Plans for Teaching Writing Chris Jennings Dixon,2007 Why do students often graduate from high school unprepared for college writing? And what can we do about it? These are the questions that a group of classroom teachers set out to explore. Over the course of seven years, a group of middle, high school, college, and university teachers participated in a federally funded writing coalition project to implement innovative approaches to teaching writing. Together they developed this series of lesson plans designed to make writing both fun and an integral part of diverse curricula. Practical is the recurrent motif of each teaching strategy. Developed by real teachers in real classrooms, the lessons are grouped into seven categories: writing process, portfolios, literature, research, grammar, writing on demand, and media. Each lesson follows a standard format that includes purpose of the activity; necessary preparation; required props and materials; process and procedure for implementation; instructional pointers and/or possible pitfalls; and reflections from the teacher that provide behind the scenes insights.

**A Practicum in TESOL** Graham Crookes,2003-07-14 A Practicum in TESOL is a valuable source book for both teacher educators and classroom teachers. It ranges widely across key areas of practice from the nitty-gritty of lesson planning and classroom management, through conceptual areas such as motivation and observation, to crucial if more abstract aspects, such as teachers beliefs and values. It also delves into the moral and political dimensions of teaching. Discussion of these areas, though well-grounded in relevant academic literatures, is also supported by extensive quotes from real teachers working on their practice. The treatment is sufficiently challenging to interest the experienced teacher, while covering matters of basic practice that would be of concern to the beginner. Anyone doing a TESOL practicum will want to use this book whether as an in-service teacher or as a teacher longing to further their professional development. A Practicum in TESOL can be used individually or in groups.

Teaching Literature-Based Instructional Units Angela L. Hansen,Anete Vásquez,2022-04-21 Teaching Literature-Based Instructional Units: From Planning to Assessment provides an accessible roadmap to planning, designing, and implementing literature-based instructional units for the English Language arts (ELA) classroom. Understanding that unit plans are the building blocks of the ELA curriculum, Hansen and Vásquez outline the theoretical foundations and approaches behind teaching ELA and offer a framework to help readers make sound decisions about their content pedagogy. In so doing, this text offers research-based and straightforward guidance on planning instruction around key literary texts. Placing literature at the center of the ELA curriculum, the approaches in this book not only support students' reading, writing, listening, speaking, and digital media skills, but will also motivate and inspire them. Part 1 addresses how to choose unit themes and texts, discusses the importance of having a rationale for choices made, and examines the practical, philosophical, and historical approaches to teaching literature. Part 2 provides step-by-step instructions for designing literature-based units of instruction by using backwards design. The text focuses on assessment before moving into how to scaffold and sequence lessons to meet learning objectives, and concludes with consideration given to teaching ELA in virtual environments. The wealth of activities, strategies, exercises, examples, and templates in this book make this text essential reading for instructors and pre-service teachers in ELA pedagogical methods courses and for practicing teachers of literature instruction.

*Teaching About International Conflict and Peace* Merry M. Merryfield,Richard C. Remy,1995-03-30 Designed especially for preservice teachers, this book links substantive, current scholarship on major topics in the management of international conflict with exemplary instructional methods in social studies education. Through vignettes and case studies of actual classroom practice, the reader learns from experienced teachers how they integrate different instructional methods to achieve content goals. The book contains an appendix on resources that provides additional information on organizations, instructional materials, computer networks, and other scholarly work that can help teachers improve their instruction on

international conflict management. Teaching About International Conflict and Peace can make a significant difference in preparing social studies teachers to help their students acquire knowledge and understanding of how the peoples of the world have dealt with international conflict in the past and how increasing global interconnections provide new alternatives for the management of international conflict in the present and future.

**How to Teach Literature** Elizabeth McCallum Marlow, 2019-01-28 How to Teach Literature: Introductory Course provides a detailed resource for homeschool or conventional teachers and administrators interested in an in-depth study of the subject. This fourth and final book in this series of teaching guides includes information not found in literature anthologies such as the following: suggestions for cultivating a love for literature, detailed analyses of each work, questions for review, test questions with suggested responses, essay topics, audio-visual aids, internet resource materials, classroom handouts, and recommended books that enhance teaching. The author emphasizes two basic reasons for teaching literature: It is instructional and delightful. This book provides a comprehensive methodology for teaching the subject that a teacher could apply to one year's lesson plans without further investment in time. Other books in this series are entitled How to Teach World Literature, How to Teach American Literature, and How to Teach British Literature. [www.teachclassiclit.com](http://www.teachclassiclit.com) What do Truman Capote, O. Henry, and Homer have in common? They are all important writers happily included in Elizabeth Marlow's How to Teach Literature: Introductory Course. Elizabeth lifts the reader to experience the beat in Poe's writing, the stark descriptors in the work of Hemingway, the rhythm of Alfred, Lord Tennyson. She shows us that writing is not just a group of assembled words; it is a matrix of sound, color, meter, and imagery. For an English teacher, this is a helpful reminder and some fresh air. For a student, this is a gateway to the beauty and skill of great writing. To us all, this book is a way for the literature veteran to be challenged, and the newcomer to be lured into the wondrous world of literature. I wholeheartedly recommend this book. —John Baskam, middle school and high school English teacher at Covenant Christian Academy, Cumming, Georgia This is just the sort of guide I wish I'd had when I was homeschooling my children. Elizabeth Marlow addresses both the big picture, which is the main goal of fostering a lifelong love for classic literature in students, and everyday practical concerns. Parents and teachers will find her trustworthy in her mature spiritual grounding, her impeccable literary taste, and her wealth of experience gained from decades of teaching literature in a Christian school. The book is well organized and thorough, and her witty, down-to-earth writing style makes it a pleasure to read. —Marcelle Tuggle, veteran homeschool mom
